Dear Friends of St. Agnes Cathedral School,

At our annual Fathers' Club Golf Outing, we reflect on our history and plan for our future. Year after year, your generosity has made this event our biggest annual fundraiser, with all proceeds directly benefiting the kids of St. Agnes Cathedral School.

We thank you for that and ask you once again to please support our tradition by becoming a sponsor for this year's Outing on June 2, 2022. Our honoree is past SAFC President and longtime member Brian Thomas Joesten.

The proceeds this year will once again be funneled into supporting the school's efforts to build a new STEM lab for the students. Such a state-of-the-art facility will offer them a hands-on opportunity to learn collaboratively using interactive tools in an open workshop that provides a concentration of technology equipment as well as rooms for team-based activities.

Please help us honor Brian Joesten and support the next-generation learning that is envisioned for St. Agnes, a school that represents the grace and promise of our Cathedral Parish.

As Mrs. St. John has often said, your generosity assists us in promoting our mission to educate God's greatest gift — our children.

Thank you,

Al Baker

Fathers' Club President

If you have questions regarding the outing, please contact:

The St. Agnes Fathers' Club
Proudly recognizes

Brian Thomas Joesten

2022 Recipient of the William J. Cronin Award

The William J. Cronin Award was established in 2006 to annually recognize an individual, usually a Fathers' Club member, who has given selflessly to our children and the St. Agnes Cathedral School community. This year, it is presented to Brian Joesten. Brian Joesten was the third of Edward and Mary Joesten's five children. Like his siblings before and after him, Brian followed the same early educational path: Attending grammar school at St. Anthony of Padua before graduating to Archbishop Molloy High School in Queens. From there, Brian entered St. John's University, where he broadened his educational horizons, made lasting friendships, and, more importantly, met his future wife and mother of their four children, Blanche – who fell in love with him at first sight. Brian graduated St. John's with a Bachelor's Degree in American Government and a Master's Degree, cum laude, in Public Administration & International Relations. Brian's first job was with the U.S. Army Corps of Engineers as a Management Analyst, Logistics, & Communications Manager. His career underway, Blanche and Brian decided it was time to start a family. They took their Vows of Marriage at Resurrection Ascension Church, in Middle Village, on May 2, 1987. The happy couple soon welcomed their first child, Chrissy, born in 1990. Nick followed in 1995. Amy was born four years later, in 1999. And God delivered Katie in 2004.

All are proud graduates of St. Agnes Cathedral School. Between the births of Nick and Amy, Brian changed careers and moved to Rockville Centre. He was now a senior sales director building worldwide data networks and Chrissy was enrolled in St. Agnes Cathedral School just as Brian's Mother had requested.

It was the start of a beautiful relationship with the school and it stretched on for 22 years. Imagine this: A Joesten child was continually enrolled at St. Agnes from Chrissy's entry, in 1996, until Katie's graduation in 2018. They sang in the childrens', girls' and teens' choirs, performed in school plays, played soccer and basketball and volunteered as altar servers. They all attended Catholic High School, either at Chaminade or Sacred Heart Academy. Their exceptional Catholic education propelled each of them into college: Chrissy graduated from Adelphi, cum laude, with a Master's in Education; Nick graduated from the Catholic University of America with an Economics degree; Amy graduated last May from Salve Regina University with a Business degree; and Katie, graduating from Sacred Heart Academy in June, has been accepted into Adelphi's Nursing Program for the fall of 2022. All thanks to the excellent foundation they received at St Agnes (and their parents!). Along the way, the Joestens were parochial school parents, school board members and presidents of the school's Fathers' and Mothers' Clubs, Brian having served as SAFC president in 1999-2000. They and their children and extended family remain devout parishioners. And, especially, contributing with love for St. Agnes and its mission.

Brian, since 2008, has also been privileged to serve on the Friends of Mercy Hospital Board serving as President in 2010. He was president of the Sacred Heart Academy Fathers' Club from 2007 –2012 and served as a St. Agnes School Board member from 2015-2018. In his 35th wonderful year of marriage, 31 as a father, and with 26 years of experience as an active SAFC member, Brian knows how important Catholic Education is, not only in broadening each child's horizons but in its mission as a moral compass for our wider St. Agnes family and for society as a whole – especially during these trying times. Brian would like to thank you all for choosing him as the 2022 SAFC Golf Outing Honoree. He encourages you to continue your involvement in supporting St. Agnes and the ideals of Catholic Education.
